

## Kramarczuk's Wild Game Processing

- ◆ We accept only high quality, trimmed wild game. Fresh or frozen is OK (*we no longer butcher whole animals*).
- ◆ Standard mixture is 50:50 pork to wild game (eg.25 lbs of wild game yields 50 lbs of finished product.)
- ◆ During high season, we cannot guarantee that your finished product will be made exclusively from your meat.
- ◆ Available products are listed however, we may be able to make other varieties. Please ask. Total price will be calculated from finished product.
